

In the section that requires Customers to provide personal data / information for Just Surveys Ltd (JSL) to give quotes electronically

To be consistent with the General Data Protection Regulations 2018 (GDPR), we're asking you to take a moment to review key points of JSL GDPA Policies (see web page) it's a chance to understand what we are required to do with your data / information to protect you - if you don't want to view the JSL GDPR Policies - we will endeavour to summarise.

Firstly, we need your agreement to use the data / information you provide for us to formulate a formal quote to provide the services – In the box at the bottom please click your acceptance if you wish us to continue. Or not, you can continue looking through our Web Site which we hope helps you understand some of the services we offer.

If JSL is successful and wins your business, the information will be securely held and only used to help provide the Services we have contracted with you to provide. The information is only accessed by those needing your information and each has in turn signed an individual GDPR Agreement to maintain data / information integrity. JSL uses the data / information you provide to produce reports / information which you will provide to a Water Authority (under a separate GDPR) to certificate your property. The personal information will be deleted after a short period set in the GDPR Policy. The Certificate and its relevant information are retained for a period again set within the GDPR Policy to support you in any exchanges you may have with the Water Authority or Builder.

If JSL is unsuccessful and does not win your business, we hold the quote open until the period where the price is held open (3 months) and then all data / information is deleted. If this is unacceptable, please advise and we will delete / destroy the information / data immediately.
